what is Katalyst about?

We are Katalyst. The might behind the intrapreneur.

Using hybrid in-person and online relationships, we match you with doers who are just as ambitious as you are to go from idea to done.

so you know it's real..

"if only my job valued me as much as the Keurig.."

"i spend my free time telling kids not to be like me when they grow up"

"i've got 99 problems and all of them are work-related"
